Summer 2023

New from
Adam J. Ridley

Had it not been for his latent powers, Kaden would have perished at the hands of the men who enslaved him.

Lysander comes from an idyllic childhood, but lacks belief in himself and his powers.

The two men's encounter at a superhero college sparks intense and powerful animosity. As they confront a common enemy, the dynamic quickly evolves from enemies to lovers.

When a supervillain wrests control from Kaden, will his love for Lysander stop him before he destroys everything he holds dear, including the world itself?

2023 Coming Home Series!! by Blake Allwood

The Coming Home Series explores what it means to come home after years of being away. The imaginary Crawford City, is located not far from Nashville in the foothills of the Appalachian Mountains.

The novels focus on the lives of several people who have either grown up in or around this small town or have discovered this small town and made it their own.

The Coming Home Series uplifts and promotes the idea of family, relationships, and community while demonstrating how beautiful it is when someone finds their way back home.

The Coming Home novels are a gay, sweet romance with no explicit scenes.
